Message from Director of Learning KS5

Dear Parents,

“If your actions inspire others to dream more, learn more, do more and become more, you are a leader.”

It is important that students get to experience leadership opportunities during their school days. This helps them to learn the art of building relationships within teams and developing effective interpersonal and communication skills.

We will soon be inviting application for our student council. WSR believes that all students have the capability of being leaders. Throughout the school year we have tried to give our students every opportunity to lead and take responsibility.

Some of the events planned and organised by student leaders in this difficult academic year are listed below.

WSR MUN - Student MUN team organised the first edition of a 'Virtual WSR MUN' which encouraged students to think critically and come up with solutions for some major world political and social issues.

WSR Speaks- We held another successful event, which was organised mainly by our students. This helped them to develop confidence and responsibility.

Student led assemblies – Student leaders led various assemblies throughout the year. The well-being assembly was appreciated by our juniors. The student leaders conducted a survey after the assembly where increased screen time came up as a concern. We have made sure that screen time was reduced for secondary students.

Global Student Summit - Our student leaders registered and participated in the Global Student Summit held by the Varkey Foundation

Ramadan Food Basket - Student leaders took an active part in this noble initiative encouraging their friends to give back to the society.

Apart from this, our senior school students are also mentoring and guiding our younger students in a number of ways. Frequently they come up with some amazing ideas and have taken ownership and responsibility to complete the assigned task.

This proves that when students are given responsibility combined with the belief that they can succeed, they have everything they need to meet and exceed expectations.

Have a great week ahead

Warm Regards

Beena Nair

Director of Learning KS5

GEMS Ambassador Programme

Dear Parent,

The GEMS Ambassador Programme has been running successfully for more than a decade since its launch in 2008. In the past two years alone, the programme has helped parents earn back more than AED 650,000.

The programme is open to any GEMS Education parent and the process is straightforward: simply introduce a new family or friend to any participating GEMS school and earn back a minimum of 4% and up to 100% of your child's annual tuition fee in the form of GEMS Points. These Points can then be used to pay school fees (<https://www.gemswestminsterschool-rak.com/why-gems/ambassador-programme/>)

We very much look forward to welcoming you as a member of the GEMS Ambassador Programme and thank you for your participation.

Kind Regards
